You are the foundation of physician families. As physicians and physician spouses, you have made many sacrifices and helped build a healthy association through various community activities and philanthropy. The NCMS Alliance values and supports its own members in addition to our external mission, especially in times like this. We wish to continue to strengthen bonds between our Alliance and physician families.

Our mission to advance the health of North Carolinians through advocacy and action is invaluable, as displayed through our various efforts to

- address the opioid epidemic,
- promote pandemic recovery relief for communities,
- encourage health projects and offer grants across North Carolina, and
- act as a general support base for physician families.

The medical community consists of many wonderful, motivated people with accomplishments on personal, professional, and communal levels. We need your positive outlook and participation in the Alliance! Join at the level of your choice. Help keep the Alliance successful with your donation of membership dues, donating to the Health Education Opportunity Fund and by lending some of your talents.

President's Message

The NCMSA Board is setting its sights on improving access to healthcare in our rural counties. We have laid the groundwork to create community partnerships that will help us broaden our reach and use our collective resources to focus attention on health issues facing North Carolina. One such partnership is with the North Carolina Association for Free and Charitable Clinics (NCAFCC). In the coming months you will hear more about our efforts to help NCAFCC improve access to care for the uninsured and underinsured in our state.

We are excited about the many opportunities we have in front of us – partnering with other organizations to materially impact the health and well-being of our communities. You can help support our efforts by joining with us. Your Membership is critically important to our mission. If you prefer to support us from “behind the scenes,” donations are appreciated <https://www.ncmsalliance.org/Donate>.
