**This is your opportunity to join or renew your Alliance membership today.** Your membership will help strengthen the voice and the impact of the Alliance in your community, state and across the nation. Alliance members offer a wealth of opportunities for developing lifelong friendships and building your network. You will experience firsthand a powerful support system to help you face the unique challenges of life in a medical family.

The Alliance works together to raise money for scholarships and research, stage public health projects in your community, and advocate for policy change to assure a bright future for medicine. Even if you cannot be active, your membership dues will work to promote good health in your county and state. Alliance seminars and networking opportunities enrich your life and build your professional skills in the areas of advocacy, health promotion and leadership. The NCMS Alliance brings members together to address key issues impacting public health and the future of medicine. The NCMS Alliance also develops and delivers resources that address the unique interests, challenges and concerns of physician families. Your Alliance membership is put to work every day furthering our efforts to implement valuable health education and advocacy programs throughout the year.

## **Message from the President:**

I am happy to be able to continue as the 2020-2021 North Carolina Medical Society Alliance president. This past year has been like none other. As we moved forward to REIGNITE our Alliance, who knew a pandemic would break out across the country. This halted many of our Spring activities. However, we were still able to conduct a virtual meeting and do the necessary business needed to continue through these challenging times. The way we do things this year will obviously be much different until the state completely opens; we will probably have a new normal. Our mission doesn't change, and my theme will continue to be REIGNITE. We may need more online programming for members rather than large meetings, maybe more ZOOM virtual meetings, not just the board but with all our members. We can capitalize on the end of isolation, spread enthusiasm and reengage our membership.

Thinking out of the box will be mandatory. We have much to offer, so please renew your membership and help us reignite.

**A special incentive this year for those who pay their dues by September 30 – your name will be placed in a drawing for a \$150 Amazon Gift Card.**

Please join us, we can do this, we will survive and thrive.

Barbara Savage  
NCMSA President, 2020-21
