Dear NCMS Alliance Friends:

Greetings from your fellow Alliance member! The holiday season is right around the corner and I am writing to you as President of the NCMS Alliance to ask you to consider participating in our Sharing Card fundraising. The Sharing Card will raise funds to support various nonprofits across the state. The non-denominational holiday greeting card lists the names of participating donors and sends your holiday greetings to our members.

As the year comes to a close, we think back and consider how we can be helpful to our less fortunate community members, why not simplify our busy lives and join hands of like-minded friends by sending your \$50 or more contribution to the NCMS Alliance. The contributions are tax-deductible and will be greatly appreciated. The funds collected will be distributed by January 2023 to charities as you request on your donation form. As a tribute to our Centennial Celebration, we included several non-profits that have been the recipient of past NCMS Alliance donations.

Please take a moment to go online at [NCMS Alliance Donation Page](#) to make your donation or complete the form below and return it with your check payable to NCMSA by **November 20, 2022**.

Thank you so very much for your participation and please do not hesitate to contact me with any questions.

Sincerely,

Meeti Nigam on behalf of the NCMS Alliance Board of Directors
